

BROW RESURRECTION

AFTERCARE

Always follow our post-care instructions, our words of wisdom will minimise the off chance of an infection and keep your eyebrows in tip-top shape!

To maintain your perfect eyebrows, we recommend the following:

- Use a cotton bud to cleanse your eyebrows and its surrounding area with Build before applying **Fix** on your eyebrows. For the best results, apply **Build & Fix** twice a day or as and when needed.
- No prolonged contact with water for 7 days.
- No swimming, sauna or steam baths for 2 weeks.
- No facial for at least 2 weeks.
- Avoid vigorous exercise and perspiration.
- Avoid makeup and skincare products on and around your eyebrows for at least 2 weeks.
- Do not expose your eyebrows to the sun directly.
- Do not pick or scratch at the area. Peeling & scabbing is a natural healing process.
- Do return of a Tune Up between 1 – 3 months, our Brow Specialist will assess the result and maintain its perfection with your Tune Up.
